

Kidz Harbor

What's New *from Sharon Beard:*

It's the holiday season at Kidz Harbor, a very busy time for us. The kids celebrated their second annual Thanksgiving dinner at Life Church and then that evening Gateway Church brought out sandwiches. The whole day we had great fun and wonderful food. The kids have already started celebrating Christmas with a cookie making, tree decorating party. Thank You, Life Church for thinking of us during Thanksgiving and Christmas! And also a big thank you to Gateway Church.

Every month we have a great group of volunteers with Gateway Church, Friendswood Community Church and Pearland Methodist Church come out and help us with our housing issues. Our kids rooms are all looking much better. I'm especially happy about our new furniture and fresh paint, and the art on the walls,

just to mention a few things we accomplished this year. One new project I am working on now, is to get enough game systems for all the kids to play. We're needing Play Station 1, 2, 3's and X-Box systems - new or used, so all the kids can have "equal" time!

We are now gearing up for the Christmas Holidays. It's the most exciting time of the year at the Harbor. Of course, we need lots of extra elves getting everything ready for Christmas Day. There are several ways to help us. Donations of money or gift cards are always welcome. And don't forget to check to see if your company may match your donation gift. If you would like to volunteer to shop or wrap gifts, please call me at 281-581-2505 and we can set a date and time for you to help out. Go to our website at www.KidzHarbor.org to get more information and for donations.

Our progress on the new building is coming along. The money we are receiving from the Pepsi Challenge is a real blessing. The Builders Without Borders are doing an awesome job and we want to THANK them. I'm so excited about the new addition we are going to get. We are looking forward to the completion of the building in 2011.

Thank You to all of our employees, and volunteers who help us keep the Kidz Harbor going! We have had an incredible 2010! Merry Christmas and Happy New Year to ALL!
